(4) \_\_\_\_\_

**Time:** ~

/James O. Hansen/  
 Primary Examiner, Art Unit 3637

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: In an effort to expedite the prosecution of the application process [compact prosecution], the examiner contacted applicant and proposed amendments to the claims [basically, minor amendments in order to cure clarity issues, and cancelling non-elected claims 33-36] so as to place the application in condition for allowance. Applicant agreed to the proposed changes as outlined in the attached examiner's amendment .
